## The Dimmer View

By MAX GOODWIN

I don't want to hear any real-estate complaining about it being a "buyers market" in Lemon Grove. There's a sign on an occupied house on Kempf Street which reads "NOT for sale."

The Lemon Grove Camera shop owner Bob Vaught has succumbed to summer heat. He installed a store-wide air conditioner recently which brings down the interior's heat and humidity. To keep the cool air in the front door had to be kept closed. With the door closed came a problem as far as transient trade is concerned. Is he open for business or is he not?

Vaught solved the problem by buying one of those plate glass type doors which looks almost like on door at all. Now the energizing cool air is kept from going out and shoppers are able to see in but the door is said, cost him as much as the air conditioner.

W. D. Keller, traffic manager for the S.D. & Arizona Eastern Railway came charging into my office this week demanding that I straightened out the canard he said I posed when I claimed his railway train plowed through the recent Lemon Grove Parade "with disdain."

Keller claims the parade marshal, if he had the brains of a linnet, would have notified the S.D. & A.E. of their parade and the RR would have changed the schedule of their train so as not to interfere with the orderly procession of the parade. "Nothing disdained about that," manager Keller said. And he's right. Of course the parade marshal may sue him for deprecating his mental ability but Keller may be right in saying that the marshal of any parade has certain obligations to the rest of the parade members and the community too. Keller finally calmed down and accepted my invitation to have a soda at the malt shop. After I got him in an expansive mood he agreed to follow his train through Lemon Grove several times during the coming weeks to see how valid my complaint is about the excessive blowing of the train's whistle.

We may have resolved the problem of busted up parades

## TV Left On Sets House Ablaze

Spring Valley started the Pageant Celebration Sunday morning at 7:45 with a fire alarm.

The residence of James Haney, 9079 Lemon, near the corner of Helix Drive, burst into flames about that time. First discovered by a fireman who lives near Fire Station 1, on Troy Street, as he was getting ready for a good day's work on his boat, when he saw smoke rising from the burning building. His first thought was burning trash, but a second look indicated a burning building, so he hustled to the engine house, called another fireman, also a nearby resident, and they "rolled her."

In a matter of minutes three pieces of apparatus were at the fire, with 17 firemen working. The fire was knocked out in three minutes, the boys sent two pieces of equipment home and the men left cleaned up the damage. The structure was a three-room cottage. The walls were burned, and Chief Clark, who was on the job, didn't want to make an estimate of the damage. The front room was damaged the most. Furniture was all moved into the yard, somewhat scorched.

Chief Clark opined that cause of the fire was a short in electric wiring, close to a tv set that had been left on all night.

A young woman who was sleeping in the room was not awakened by the heat, possibly because two windows were opened and carried the smoke and heat away. She wasn't injured, didn't know of the fire 'til awakened by firemen.

Architect's drawing of new St. Sophia Catholic Church is shown by Very Reverend Msgr. Richard R. Daniels. Church will start soon on knoll overlooking Casa de Oro. Sketch shows church in foreground, flanked by rectory, parish hall, school and convent. George Lykos is architect. —Tappy Foto

## LAKE TO BE SOLD

You can have a private fishing, boating and surf riding resort—if your bid is accepted.

Helix Irrigation District is going to sell the 22 acre Helix Lake property. The lake, when filled to the spillway, covers 11 1/4 acres. It will be sold to highest bidder. Lake property was declared when a 4 million gallon tank replaced the open lake.

## PREACHER

Dr. A. Frederick Bunge, Principal of the Northwest Adult High School, will address the congregation of the Lemon Grove Methodist Church Sunday, at the regular 11:00 a.m. worship service. Dr. Bunge has a long record of active leadership in the Methodist church. He successfully carried on the work of a minister while assigned to a student pastorate during his college days at Redlands University. He also was a supply pastor at Del Rey, California for two years while holding a Lay Preacher's License in the Methodist Church, San Diego, where he and his family are members.

His career in public education has covered a 27-year period as a classroom teacher and school principal. He served last year as the President of the Administrator's Club of the San Diego City Schools.

Among the universities Dr. Bunge has attended are: Redlands, Southern California, Stanford and Columbia, where he earned his doctor's degree.

## AUTO INSURANCE TO COST MORE IN 1958

Word comes from Sacramento that financial responsibility rates on auto drivers' insurance will be double in 1958.

Gov. Knight signed a bill doubling the present liability of \$5,000 and \$10,000 for personal injury. This means that a driver involved in an accident injuring or killing one person will have to be able to pay damages of at least \$10,000 and for injury or death to more than one person at least \$20,000.

The bill, effective July 1, 1958, increases the property damage minimum from \$1,000 to \$5,000 and the cash deposit permitted in the absence of insurance from \$11,000 to \$25,000.

Assemblyman Edward M. Gaffney, a Democrat from San Francisco, authored the measure.

## Nelson Replaces Skelley At Highlander's

Earl Nelson, who was assistant manager of Highlander's Men's Store for a while last year, was named manager this week. He replaces Ted Skelley who has been manager since the store opened here in 1954, according to David Phair, owner of the three store chain.

Skelley plans to go into business for himself in North Clairemont.

Skelley was president of Lemon Grove Booster's Club and vice president of the Lemon Grove Chamber of Commerce.

## GOODWIN ON GOVERNOR'S TV SHOW

Max Goodwin, publisher of this newspaper, will appear on the popular "Meet Your Governor" program with Gov. Goodwin Knight Sunday, August 4 via channel 10 (KFSD) at 4:30.

Gov. Knight comes to San Diego every two weeks for his television program and usually a local resident appears with him, asking him questions (non-political) having to do with the gubernatorial situation. Telephoned questions are also accepted and the governor answers these on a first-come-first-served basis.

Goodwin will supply the governor with these questions as well as his own.

## HID HIGHER TAX RATE TO COVER DEBT RETIREMENT

Helix Irrigation District tax rate will be up four cents per \$100 assessed valuation to help cover a record budget, it was decided by the district board members. Budget is for \$1,822,739.

New rate will be \$1.54. Last year it was \$1.50.

A district spokesman said that \$1.54 represents retirement of principle and interest on this year's obligation on the 8 1/2 million dollars worth of bonds outstanding against the district. Payments this year will total \$310,948.

For the first time, under a new policy which has been advocated for years by HID's counsel William Jennings, the district will attempt to recover expenditures for water out of water receipts. The budget anticipates receipts of \$1,564,799 with water sales accounting for all but \$58,000 of it.

Harry Griffen, vice chairman of the board said that the increase would appear as an additional 30c on the average taxpayer's bill. Assessed valuations averages \$750 a parcel. He said he was pleased that the rest of the board agreed the tax should be based on the district's obligations and that sale of water income should be used for maintenance and operation.

"This permits a realistic ap-

proach to the district's fiscal problems," he said. "The electors obligate the district for certain expenditures and this should be reflected as a tax. The cost of supplying water should be covered by the users water bill."

"Formerly, the board would start with a tax rate and spend within its limits. The new philosophy in this district, and many other districts, is to sift carefully every expenditure, evaluate the obligation, and let the tax rate equal the expenditure."

The district expects to spend \$651,000 for repair, replacement and improvement of facilities during the coming fiscal year.

## More \$\$\$ For Impecunious Supervisors?

Rumors of a proposed pay raise for Supervisors have been percolating around Civic Center, and have finally broken into the news via George Crawford, Assemblyman (R-SD) who "fathered" the substantial raise granted Municipal Court attaches, and has mentioned Dean Howell as opposing a raise for these here court clerks unless the Supervisors got another raise. So now Gov. Knight is under the gun.

The Supervisors got a substantial raise in pay about a year ago, get a new car each year and various other perquisites. Taxpayers generally seem to feel that the Supervisors are being pretty well paid at present.

"It is about time the Taxpayer got a 'raise downward' in taxes one gent who contributes substantially to Wilbur Easton each year in two installments, remarked. —DH

## NEWLYWEDS

Martha Hoyt Silliman became Mrs. Alvin Patrick McEachern July 13 when the couple recited marriage vows in the Little Chapel of the Roses in Chula Vista.

Mrs. McEachern is the daughter of Mrs. Dorothy Cummings, 3720 Riviera Drive, Lemon Grove. Mr. McEachern is the son of Mr. and Mrs. A. E. McEachern, 6162 Acorn St. San Diego.

The bride was given in marriage by her grandfather, Mr. T. O. McKendry. Members of the wedding party included Mrs. William Melton and Mrs. William Moore, sisters of the bride Miss Cathy Senior, Marvin Thomas, Harvey Sapp and Fred Robinson.

The couple is honeymooning at Apple Valley and will reside at 4262 45th St. The bridegroom attends San Diego State. The bride attended San Diego Junior College.

## PLAN BROADWAY NOW JOE MACK PLEADS

Broadway will be improved if property owners along the thoroughfare can decide on what type of improvement they want, Joe Mack, County Road Superintendent and Surveyor told the Lemon Grove Men's Club Friday.

"We can build a 100 foot road from Massachusetts to Kempf, but 150 feet with 33 foot parking strips and 8 foot sidewalks would be more realistic," he said. "If property owners would indicate they could agree on this as the ultimate plan I would submit part of the improvement to the Board of Supervisors for inclusion in next year's budget," he said.

"We would take immediate steps for improving the traveled road in the center of the project and property owners could complete the rest, block-by-block, if they wished, over the years to come," he said.

Mack said that the project could be mapped if 60% of the property owners agreed on the plan in principal. "This would permit permanent installation of utility lines, establishment of grades, and planning for proper drainage," he added.

Charles Kerch, business property expert who developed the shopping district at the east end of Broadway in Lemon Grove will be speaker Friday at the Men's Club.

Subject of his talk will be "Business District's Parking or Bankruptcy." Meeting will be at noon at Michael's. All men are invited.

Mack said that Lemon Grove's four arterial streets needed widening. These he designated as Broadway, Imperial, Palm and Skyline. Broadway will have to await a plan; funds have been budgeted for Imperial which in-

## Grove Street Being Resurfaced

Grove Street is getting a temporary face-lifting, Ed Singer, division superintendent of the county road department said this week.

Originally Grove was scheduled to be widened to full 80 feet but complications in acquiring easements made new planning necessary. The present road is being resurfaced and will get a dust palliative across its 26 foot width but this will eventually be widened to 40 feet when a plant-mix surface will be applied this year.

cludes acquiring 20 feet of the railway right-of-way along Imperial and raising the Imperial roadbed several feet at Central Avenue, and Skyline widening may be budgeted, in part, next year. The Kempf Street end of Skyline widening may have to wait several years, he reported. Traffic count along Skyline indicates that "stop signs" may be left at Palm but removed at Golden.

He complained bitterly about the condition of Broadway when it was relinquished to the county two weeks ago by the state. "They wore it out by 20 years of use then dropped it in our laps to improve," Mack said. "Legislation is pending by which the state will be forced to bring relinquished roads up to a standard indicated by current use."

Broadway improvements that are needed now, coupled with other local improvements that should have a priority rating would cost more than the county has available for the entire county road program this year, Mack pointed out. Some of these needed improvements include the dangerous Olive Street-Freeway bleed-off; the Buena Vista-Freeway access road north of Broadway; Washington Street which should be widened it's entire length, and Palm Street which should be widened from Imperial east through Spring Valley, he said.

He said it would be three years before Bancroft Street gets its final improvement following installation of sewers. "It'll take that long for property owners to hook up to the sewer line," he said. "Instead of bringing Bancroft up to its ultimate standard, complete with curbs, we'll put a temporary surface on 'til sewer users have finished chopping their way to the main. Then we'll finish it."

At Friday's meeting William Parker, manager of the Lemon Grove Telephone system in La Mesa, was elected president. Ken Rister, local insurance man was named vice president.

## C'd ORO SEWER LATERALS OK'D

The Board of Supervisors authorized a Resolution of Intention to order construction of a sewer system in Kenora Drive and other streets in Casa de Oro. Bids will be called for for construction as soon as legal preliminaries are completed.

Some 53,000 feet of sewer laterals will join the lines in Spring Valley, and are a part of the Spring Valley Sanitation project, already approved by voters.

Five written protests were received by the Board, all relating to property to be excluded from assessment because of inaccessibility.

One gentleman, who didn't give his name, arrived just after the vote on the motion to order the work was taken, explained that he was misdirected, went to two wrong places, finally arrived. Was in favor of the work but feared that his place was too low by a couple of feet unless the ditch were dug deeper. He was told that another look at the map and spot he would build on would be considered.

## Lions Plan California Story Party

Lemon Grove Lions Club will travel to the California Story August 1. It was reported by Col. Robert Pulliam, executive with the club.

Members, their family and friends, will be joined by members of other local service clubs for dinner at Michael's at 6 p.m. Trip to Balboa Stadium, where the show will be held, will be made on two chartered buses.

## CALIF. VFW VEEP

B. C. "Charlie" Hesser, 8512 Golden Avenue, has been named senior vice commander of the Department of California Veterans of Foreign Wars' 50,000 members. He will also serve as membership chairman for the state.

At the same time his appointment as a member of American-

## DEADLINE NEAR FOR PAYING U.I. TAXES

Wednesday, July 31 is the deadline for filing California Unemployment Insurance wage reports and paying state unemployment insurance taxes for the second quarter of 1957, Hagen Christensen, Auditor-in-charge for the State Department of Employment in San Diego, today reminded employers.

Employers who fail to file wage reports and pay second quarter taxes on or before July 31, will reduce their chances of receiving a lower rate next year. Christensen pointed out that it is not possible to use payments made after July 31 in computing employer tax rates that range from zero to 2.7 percent. In addition, penalty and interest will be charged if the report is filed after the deadline.

Lemon Grove employers needing assistance in preparing their returns may contact the Auditing office at 2100 4th Ave., or by telephoning BE 24292, Ext. 1.

B. C. HESSER

ism and Community Service Committee of the National VFW encampment scheduled to be held in Miami Beach August 25-30 was announced.

Hesser, a real estate broker, was junior vice commander and Community Service Chairman for the state organization last year. Under his tutelage the organization showed 100% participation of the state's 513 posts and 424 auxiliaries in 20,000 projects.

He served as district commander for San Diego and Imperial Counties and as chief of staff for the VFW Department of Health for California.

Hesser served in the navy in both world wars and is active in the Lemon Grove VFW Post.

Dewey Duke, manger-owner of OK Rubber, 7302 Broadway, displays tires similar to those to be given in a "Retire for Life" safety contest. Four Lemon Grove professional men are judges.

Four Lemon Grove professional men have been named as official judges for Lemon Grove OK Rubber Welders in a nationwide "Retire for Life" contest, according to OK Auto Float Tire Store operator Dewey Duke. The men are Dr. John Schiet-

zelt, M.D.; Dr. Basil Maloney, M.D. and obstetrician; Dr. Dennis McLaughlin, dentist and Kenneth Barwick, attorney.

The contest is built around a driving safety theme with the aim of reducing highway deaths all over the nation. Each entrant, in 50 words or less, tell how he would prevent the mounting highway death toll. Three winners from each OK store will be selected by our local judges and will win a set of new Tred Wels recaps. The three winning entries and entries from other parts of the country will then be turned over to the Board of National Judges who will choose a Grand Prize Winner.

Harold V. James, President of OK Rubber Welders stated that all the local and national winning entries will be given to the National Safety Council for study. From one of these entries may come ideas that will substantially decrease the number of highway fatalities. The Grand Prize winner will receive new tires for the rest of his life. Every 6 months or 10,000 miles he will return to the OK store that received his entry and get 5 new premium OK tires. Under this system he will be driving on new tires for the rest of his life, and his winning idea may save the lives of thousands of Americans.

### Ten Thousand Dahlias At La Mesa Flower Show

Over ten thousand dahlias, together with floral displays of all sizes, shapes and colors, will be featured at La Mesa's 26th annual Fiesta De Las Flores, August 10-11, at the La Mesa Elementary School.

This year's flower show, with 291 different classifications, will offer a much larger variety of floral exhibits, as well as a more complete all-round program. Chairman John DeVeeuw and co-chairman Rose Marie Comstock are putting together the biggest and most extensive flower show ever held in La Mesa and have added a two day program of continuous entertainment for the children.

The show will be open from 2 to 9 p.m. both days. Cash, merchandise trophies and ribbons will be awarded to the exhibitors on Sunday at 5 p.m. The show is free to the public.

## Cool Golf Game Shot By Lady With Icy Crest

Nina Ray, leading realstate of Casa de Oro area, an ardent golfer whose headquarters at Singing Hills Golf course (that's in Dehesa, which translated is "Sheep Pasture" tho El Cajon claims the territory) has the hot weather headgear for ladies problem whipped.

Nina and husband, Gil Ray, Planning Commish member, went to Bonita Hills Golf Club, down Sweetwater Valley way, for a social session recently, where various articles were on sale, sort of a bazaar.

Nina spotted a pink cap, of water-proof material, tried it on for size and looks, and brought it home. The cap is filled with ice water, allowed to soak overnight, and keeps cold all the next day, while the wearer whacks the little ball from hole to hole.

## New, Germ-Proof Paint On Market

A new germ-proof vinyl plastic paint, heretofore unknown on the West Coast, is now being introduced in this area by Russell's Paint, 7920 Broadway, Lemon Grove. The new germproof paint, manufactured by Olympic Paint and Varnish Company of Los Angeles and Berkeley, is the same product which created a sensation in Europe when introduced ten years ago.

Containing APR (Anti-Microbial Process Reagent) this new germproof paint is a non-poisonous additive that kills most germs on contact. Any painted surface containing this APR is sure death to germs and organisms which cause such diseases as strep throat, nephritis, erysipelas, tonsillitis, typhoid fever, food poisoning and many others, according to leading laboratory tests.

"Germs carried to surfaces by the air," reported one of the bacteriologists conducting the tests, "are destroyed after contact with the germ-proof paint finish. Contamination spreading from walls to hand and food is thus no longer possible."

Ring, dilution and panel tests, as well as plate counts recently conducted by the University of California Medical Center confirm such tests.

The new germ-proof paint is odorless, easy to apply and produces a flat finish that is ultra washable. It is safe to use anywhere as it contains no poisonous ingredients, harmful chemicals or compounds.

"Germ-proof paint, by its very function, is indeed a revolutionary product destined to improve the health of the community," local technicians proclaim.

## POLIO SECOND TIME

El Monte, Calif. — Robert Shipman, Jr., 14, has learned that polio can strike twice. Robert was stricken in 1943, when, during a period of a week, the disease struck three members of his family. At that time, his father and a brother, Billy, were also hospitalized. Recently, Robert was admitted to the Sister Kenny Memorial Hospital for the second time.

## SACROILIAC THROWS OLLIE, TURNBULL, THAT IS

Ollie Turnbull, our advertising manager, slipped on a slope a week ago, had to go to bed and call his doctor.

The doctor prescribed a hospital, but said Abbey Rents would do, so Ollie rented a 7½ pound weight with a hook, and Mrs. Turnbull tied the weight on his left foot. That keeps the leg stretched out, stops the cramps.

Pain is intense at times, and then Ollie takes a pill, gets relief. Sometimes he walks the floor all night, counts the traffic on Sweetwater Road, which he says is terrific and speedy in the early hours of the morning.

Ollie thinks another week at home will fix him up. —DH

**PATRICIA'S**

**SEMI-ANNUAL**

**Clearance**

PATRICIA'S have but two sales events each year and we call them, appropriately enough, "semi-annual" sales.

These semi-annual events are planned to clear our lines while the season is still at its height so that our patrons may enjoy the use of their purchase right now, and make dramatic savings while doing so.

When we unfold our sale, patrons find only the merchandise they have seen a few days before. None is purchased to give bulk to the sale, it was already here.

The big difference is the price. We mark these items down to below - cost in most instances. We invite you to come in and see for yourself that Patricia's sales are fabulous and money saving.

## Golden P-TA Having Busy 'Vacation'

Even though it is supposed to be vacation time, Mrs. J. C. Gomes, president of the Golden Avenue PTA and the various committees have been hard at work planning for the coming year.

Mrs. Gomes attended at Mt. Helix Council Executive Board meeting and Pot Luck Luncheon earlier this month.

Mrs. Arthur Long, Budget and Finance Chairman for Golden Avenue PTA attended a special meeting of Mt. Helix Council's Budget chairman.

As soon as the audit has been completed, a committee meeting will be called to discuss a budget for 1957-58.

There are several vacancies on the executive board. Persons interested in working with the PTA should call HO 6-5793.

The next Well Baby Conference will be held at the Youth Center, August 1.

## TWO AREA STUDENTS TO STUDY AT U. OF CAL.

Two students, William James Glazebrook III, 8081 Canton Drive, Lemon Grove, and Mary Jane Beale, 10340 Del Rio Road, Spring Valley, have been admitted to the University of California's new College of Letters and Science at Riverside.

Miss Beale will enroll this September in the Life Sciences division, which stresses study in the fields of biology, botany, bacteriology and zoology.

Glazebrook will enroll in the Humanities division which stresses study of languages, literature, history, philosophy and the arts.

Although less than four years old, the new liberal arts college was recently ranked among the 10 best small colleges in the United States. Applications for admission this fall must be filed by Aug. 15.

## McMAHAN'S BUYS BUSINESS CORNER

Purchase of property at Broadway and Olive Streets by McMahon Furniture Stores was announced here this week by Ross Bates, Lemon Grove manager. Amount involved in the sale was unannounced.

Purchase included the land and building which had been occupied by the furniture firm for the past four years at 7696 Broadway.

Bates said it was the firm's policy to acquire the property in each community the organization serves, wherever possible.

He said that Jack McMahon, the firm's president had said that the big growth of the Lemon Grove area is yet to come. Private and investment building projects planned or underway in the LG-SV area portends a growth at a much faster tempo than the area is now experiencing, according to McMahon. We want to be a permanent part of that growth.

"The policy of permanency through property ownership has been a factor in the growth and success of the firm," Bates said.

"80% of all McMahon sales are to our former customers. This is our guide on our customer's satisfaction. We have also a reputation built on service. Purchase of the property will give us a better chance to consolidate some of our long-range local plans."

The store is being redecorated at present. There are ten stores in the chain.

## Busy Summer Season Seen For Assemblyman

Assemblyman Sheridan Hegland has been appointed chairman of an interim legislative subcommittee to study the impact of government-owned enterprises on local taxes.

Hegland was named by Assemblyman Francis Lindsay, chairman of the Assembly Committee on Conservation Planning and Public Works.

Lindsay also appointed Hegland to interim sub-groups on public works, to study financing of Feather River project and water reclamation.

On the tax study, Hegland said, "when government goes into business, government should pay taxes."

## Meets Planned For Swimming Association

Swimmers of the Carman  
Ranch Swimming Association on  
Sweetwater Avenue are prepar-  
ing for several water contests  
in the near future. Perhaps one  
of the most spectacular events  
of the Association, will be the  
Water Show at the Ranch Club  
September 5-6. The show will be  
open to the public at a nominal  
admission donation. Proceeds  
from the show will go to the boys  
and girls of the Association to  
further their swimming activi-  
ties.

At present the group, under  
the instructorship of Stan Rose,  
is training for the Junior Olym-  
pic meet to be held at the Chula  
Vista Municipal Pool, August 3-4.  
One Spring Valley boy, Jeff Wil-  
lis, will enter the 15-16 year old  
diving group. Stan Rose said the  
boy has a great future.

In water ballet, two of the local  
girls, who are being trained by  
Mrs. Stan Rose (Priscilla) came  
home from the San Diego Club  
meet recently with third place  
trophies. The two girls are Terry  
Mathews of Lemon Grove and  
Laurie Rose of San Diego, who is  
the daughter of Stan and Pris-  
cilla.

Dennis Yale of Spring Valley,  
Terry Mathews and Kenny Tren-  
holm of Lemon Grove, placed in  
swimming finals at Chula Vista  
recently.

## Imperialists To Picnic Sunday

More than 400 former residents  
of Imperial Valley now living in  
various parts of California, in-  
cluding Lemon Grove and Spring  
Valley, will be present Sunday,  
at the Annual Picnic held in Bal-  
boa Park, at Sixth and Maple  
Streets. Ten o'clock is the hour.

Harry Bowman, promoter of  
this yearly activity, has received  
word that Bob Goree will fly  
from Navasota, Texas, to meet  
old friends still living in the Val-  
ley. Folks from all over Southern  
California, Phoenix, San Francis-  
co will attend.

At the turn of the century  
these hardy pioneers drove wag-  
ons thru the silt and sand dunes.  
Temperatures from June to Oc-  
tober ranged from 100° to 120°  
every day. Gnats and other pes-  
tiferous insects, so small that  
fine screens were no barrier,  
made things unpleasant, yet the  
pioneers kept right on clearing  
and grading land, made the Val-  
ley a vast garden that produces  
untold wealth in produce each  
year.

Water was cleared in settling  
basins that sometimes were over-  
worked. In bathrooms whisk  
brooms were standard equip-  
ment, to brush off the silt after  
bathing.

A light rig could make the 130  
miles to San Diego in two and a  
half days. Wagons required three  
and a half days to make this trip.  
San Diego parties using the rail-  
road had to go to Imperial by  
way of Los Angeles.

Harry Bowman was a Calexico  
pioneer, went broke on cotton.  
He has one good eye left, will  
undergo an operation for cata-  
ract on August 21, says he is  
groping in a haze. His address is  
Box 12, San Diego.

His telephone—AC 2-2222—seven  
"twos" in succession on the  
dial. Calls in early evening are  
requested.

Harry will be at the picnic.

and undue train noises in one fell swoop but it cost us the price of a soda to do it.

The battle of the post office parking has narrowed down to an argument between Charles Kerch, a representative of the property owners and the San Diego Gas and Electric Co.

Kersch says he has a signed contract on his desk for paving the parking strip all the way to the edge of Broadway. Says he won't have the job done until SD G&E moves three poles in the area concerned.

Lloyd Wall, district manager for SDG&E says his firm will not move the poles unless someone pays the bill. Bill is approximately \$800. "It's private property and we have an easement there," he points out. He also says the utility firm was there first and parking built up around it. It's not the firm's fault the public wants to park where the

poles are now situated, he added. We have seen how ineffectual congressmen can be in the instance of getting the post office to have that pesky strip taken care of. Congressman James Utt wrote a letter to the post office district office in San Francisco earlier this year urging the department to take steps to correct the sorry parking mess. The post office department again showed its disdain for the needs of the public as well as the request of a congressman by passing it down the line and out of the department.

If I were Jim Utt I would introduce legislation to get rid of high-salaried do-nothing bums who now infest the post office department. Object being to replace them with personnel from the ranks who have the energy and desire to serve the public. If Congressman Utt can do it, and it shouldn't be too hard with the present congressional attitude regarding the post office, he will have overcome much of the trouble now existing in this

huge service organization. Much of the squawk from within the ranks of the post office is that titled executives merely put in time and do no work. Kick out these bums... and I don't mean retire them. Hold civil service trials and then kick 'em out! Then watch the morale in the post office department go up.

If Congress will order that done we may get that parking strip installed. We may also enjoy better post office service without raising rates, thus saving

ing postal patrons as well as those of us who pay the postal bill by way of taxes, millions of dollars each year.

**MT. HELIX COUNCIL  
PTA IN FINAL MEET**

New officers and chairman of Mt. Helix Council PTA met for the first time recently at the home of Mrs. C. S. Williams, 3822 Rogers Road, Spring Valley, to make plans for a year's activities. Mrs. Robert Higgins presided and the meeting was followed by a potluck lunch. Later members enjoyed stamming in the Williams' pool.

Plans were made to hold a council workshop for unit officers and chairmen Wednesday, September 11, at 9 a.m. at the Central Congregational church in La Mesa. Mrs. Williams will be chairman. It is expected that sixteen units will participate in the workshop if two new units are organized as scheduled before the beginning of school. The new units will be Brier Patch in La Mesa and Palm Avenue in Lemon Grove.

Tentative dates and meeting places for council meetings for the coming year have been set for the mornings of November 13 at La Mesa Elementary, January 8 at Fletcher Hills Elementary, and April 30 at Palm Ave. in Lemon Grove; and one evening meeting March 12 at Spring Valley elementary school.

A conference of the budget and finance chairmen was set for Tuesday, July 23, at the home of council budget and finance chair, Mrs. Henry Cowles of Vista La Mesa.

The new officers and chairman of Mt. Helix Council are: Mrs. Higgins, president; Mrs. Williams, vice president; Mrs. Gill Johnson, secretary; Mrs. Kenneth Clarke, auditor; Mrs. Roy Huston, historian; Mrs. Don Erwin, parliamentarian; Mrs. Henry Cowles, budget and finance; Mrs. H. K. Thursland, character and spiritual Phillip Minnix, Citizens Advisory Council; curriculum planning committee, Mrs. Joe Elles; Mrs. Williams, Founder's Day; Mrs. Gordon Kimball, legislation and citizenship; Mrs. Mark Lowthian, magazines; Mrs. Ray Bul-

lock, membership; Mrs. Sue Spisak, music; Mrs. Williams, program; Mrs. Peter Zucchini, in side publicity; Mrs. James Mitchell, outside publicity; Mrs. Theodore Schutte, publicity record book; Mrs. E. D. Klimok, room representative; Mrs. C. Ivar Peterson, telephone; Mrs. Preston Hawk, ways and means chairman; Dr. Ted Dixon, La Mesa-Spring Valley school district representative; LeRoy Armstrong, La Mesa-Spring Valley Teachers' Association representative; Wiley Cornelius, Lemon Grove School District representative; Cedric Starnjorn, Lemon Grove Teachers' Association representative. Presidents of the local units which make up the Mt. Helix Council are also members of the executive board.

## WHAT'S DOING

W. H. Parker, your Telephone Manager in La Mesa

Here's a new kind of "calling card." For telephone calling, that is. These odd looking cards are made by a process called "printed wiring." In certain kinds of telephone equipment they can form electrical pathways, replacing an intricate maze of wires. I expect you've heard about Automatic Answering Sets—phones that answer your calls when nobody's in. Well, they've got printed wiring in them. The cards eliminate a tremendous amount of delicate soldering and connecting, yet help us bring you better service.

Fire's a big hazard this time of year. So it's a good time for us all to get behind Smokey Bear's Fire Prevention Campaign. They say fire burned about 9 million acres of forest land last year. We can help by being extra careful to put out matches, cigarettes and campfires. I'm happy to pass along Smokey Bear's slogan right here: "Only You Can Prevent Forest Fires." Good point for all of us to remember.

## Going Away?

Vacation time is here again! At right is Reda Hulber, service representative in your La Mesa Telephone office, taking an order for vacation service. Just as you stop the milk and newspaper you can temporarily suspend your telephone service.

Call Hopkins 6-3201 and a representative will explain this service.

#### Square Dance News

##### SQUARE EIGHTERS

Yerfdog Dance is scheduled for July 24 at La Mesa Legion Hall. Pete and Helen Mighetto are callers.

##### FRONTIER SQUARES

Bill Keller will do the calling Friday night at the Spring Valley Junior High School where the Frontier Squares hold weekly dances from 8 to 11.

Frontier's picnic is being held at El Monte Park in Lakeside July 28.

Lariats graduated 85 square dancers at diploma time earlier this month. Ceremony was presided over by caller Marion Ashton. Guest callers included Larry Garrett, Clarence Montgomery and Tommy Ashton.

##### CIRCLE EIGHT

Don and Opal Hillary were elected presidents of the Circle Eight Square Dance Club at a recent meeting. Other officers elected were: Ed and Beth Laney, vice-presidents; Verne and Jo McAttee, secretaries; Jay and Leona Little, treasurers; Bob and Delight Rogers and Harry and Ruth Engle, board members.

Al Schaeffer was club caller when the Circle Eighters held their regular dance in the Spring Valley Chamber, of Commerce Hall July 12. He was assisted by member callers Jim Hutton and Roy Close.

The guest list comprised Jo and Al McClure and Ray and LaVonne Johnston.

##### LEVIS & LACES

There'll be a swimming party Friday for Levis & Laces members at La Mesa Pool from 7 to 10 p.m. L & L badge is good for admission. All members are invited.

##### RAINBOW TWIRLERS

The Rainbow Twirlers are holding tryouts Tuesday at 3 p.m., at the Woman's Club clubhouse. Juan Frank will call.

##### WESTERN FAVORITES BOOKED FOR STATE SOCIETY EVENTS

Television entertainers Monte Hall and Smokey Rogers will act as masters of ceremonies for State Society picnics to be held in the Pepper Grove in Balboa Park July 28 and August 4 as Fiesta del Pacifico events.

Monte Hall will be master of ceremonies for the picnic July 28, which will be held for the Iowa, Wisconsin, Missouri State Societies, the Alaska-Sourdough Society, the Federated States Society and the Great Lakes Society. Smokey Rogers will appear on the following Sunday for the picnic of the Indiana, South Dakota, New York, Montana, Colorado and Wyoming State Societies.

Entertainment at the picnics will include music and square dancing, games for children and good fellowship for all who attend.

#### W.C. Jrs. Off To The Races For HEAR

The Lemon Grove Woman's Club Juniors will be well represented at the annual "Day at the Races" July 31 at Del Mar. Proceeds from the tickets now being sold will go to the HEAR Society. The project has the approval of the San Diego Federation of Junior Woman's Clubs.

Mrs. William Miller and Mrs. Albert Schuh are "Day at the Races" chairman and ticket chairman, respectively.

In another project, the group's choral club will hold a combination pot-luck and swimming party August 2 at the home of Mrs. Bert Betts.

Mrs. George Jenkins music chairman of the Juniors has been given a part in the chorus of "The California Story."

#### Local Churchman S.C. Convention Committee

Seven thousand delegates are expected to attend the 69th annual convention of Christian Churches of Southern California on Chapman College campus, Orange, California, July 24-28. "Informed—Concerned—Committed" is the theme to be used, developing the year's emphasis on "Missionary Education and Benevolence" by Disciples of Christ across the nation.

Many delegates from the Vista La Mesa Christian Church are attending the whole convention, and a bus has been chartered for Sunday afternoon to enable many more to attend the closing sessions. Volney Hansen is serving on the Recommendations Committee.

Pulpit guests next Sunday in the local church will be the Rev. Dan Griffith of the Pacific Beach Christian Church.

#### Baptist Baseball Team Has 6-1 Record

Eight Churches in San Diego have sponsored teams in the San Diego Southern Baptist soft ball league this summer. John Tunell, manager, at First Baptist Lemon Grove reports that our local team has won six games out of seven and tied the other game, which has put the in first place in the league up to the present date. He states that the boys have displayed true sportsmanship as well as enjoyment during this season's participation.

#### Jehovah Witness Flinn Off To LA Convention

Edgar A. Flinn, Lemon Grove minister, has been called to Los Angeles to engage in preliminary work for the "Life-Giving Wisdom" convention of Jehovah's witnesses scheduled at Wrigley Field, July 24-28. Flinn is in charge of housing the out-of-town delegates.

Mrs. Flinn is also assisting her husband in the rooming work. They will return home after a 6-week stay with friends in Los Angeles.

#### 'DESOCIALIZE' HOOTCH PLEADS ANTI-ALKY GROUP

Loma Linda (Spcl.)—A worldwide campaign to "desocialize" alcoholic beverages as a means of combating alcoholism which has reached "disastrous proportions in Western nations" was voted July 17 at the Eighth Annual Institute of Scientific Studies for the Prevention of Alcoholism in final sessions here.

The campaign will be headed by W. A. Scharffenberg, of Washington, D. C., executive secretary of the International Commission for the Prevention of Alcoholism, and world-renowned scientists and statesmen, including such personalities as King Saud of Saudi Arabia and Premier Willem Drees of the Netherlands.

Scharffenberg has already succeeded in obtaining the signatures of 24 leaders of nations of cabinet rank or above throughout the world, and plans to visit every nation as soon as possible. "Social pressures are the chief factor in drinking among most people, and if this social pressure can be lifted, consumption of liquor and the resulting evils will decrease," states Scharffenberg.

Dr. Ivy said there are more than 7,000,000 alcoholics in the United States and the number is increasing by 250,000 annually. He stated also that 20,000 people are killed in the United States by drinking drivers and from 400,000 to 800,000 more injured in traffic accidents due to drinking. The noted scientist pointed out that Americans spend \$10,000,000,000 (10 billion) a year on alcoholic beverages and only seven and a half billion for all education in this country, including research. He said industry loses \$1,400,000,000 annually as a result of drinking among workers.

#### 'OPEN HOUSE' HELD AT ST. PHILIP'S THRIFT SHOP

St. Philip's Episcopal Church held Open House at their new Thrift Shop, located at 7561 Broadway, Sunday afternoon. Open House was held to give the church membership a look at the new project, undertaken by the women of the church. Homemade cookies and punch were served by St. Hildas' and St. Teresas' Guilds. Mrs. Milton J. Wright is manager of St. Philip's Thrift Shop. Mrs. Forrest J. Attaway was committee chairman for the Open House.
